

## Arbor Lakes Homeowners Assoc

Hello Neighbors,

August 29, 2018

We are pleased to announce our severance with Principal Management Company and our path to independence. Many pluses will come from this separation including a stronger balance sheet, far and away quicker responses to homeowners, and more timely repairs. We are extremely excited about our new venture and expect you to see very positive results. Your board has been putting in many hours to create this new environment and we intend to make the Arbor Lakes HOA the best HOA in the state of Texas. Please help us to beautify our neighborhood. We only have so many funds but we will stretch them as best as we are able.

Please find included in this package a magnet with our new phone number. If you desire to contact your board, please call this hotline number and a board member will return your call within 48 hours. Our new address is located on the bottom of this letter. All mailings to the HOA should go to this address only.

The Arbor Lakes HOA is dedicated to the homeowners and the aesthetics and security of our community. We are here for you 24/7. Please help us make this neighborhood even greater.
